..... EASY PARKING FOR STOCK CHRISTMAS MARKET .....

To ease the car parking at this year's Stock Christmas Market, we are looking for your help. Could you provide one or more off road car parking spaces for visitors to the village?

A small fee of £3 will be collected for each space and will go directly to the charities we are fund-raising for this year (see website for selected charities). We request that all cars will be parked and removed independently by car owners.

Normal rules of the highway apply in all cases, so cars are parked at own risk and responsibility for any damage caused.

Visit [www.stockchristmasmarket.co.uk/easyparking](http://www.stockchristmasmarket.co.uk/easyparking) to register your name, address and number of spaces available.

Or call Michael on: 01277 840917 and 07768 596 460
