Bungalow in front of the Windmill in Mill Lane who have cut a vast amount of greensward to make a sweeping driveway – Wayne Jewell, Enforcement Officer, at CBC had advised the Clerk that here is a current application for a replacement driveway and additional vehicle crossover. However at the moment it is invalid due to certain information missing, they are waiting for this additional information before they are able to pursue further action. The matter of lights on the wall or electric gates is irrelevant at this moment in time and may not be a planning issue.
