

STOCK CARES

Financial support received from
Crondon Park Golf Club
Stock Parish Council and Stock Surgery

We exist to provide transport to medical appointments, for Stock residents, who do not have family or friends to assist them at the appropriate date and time.

Please note our boundaries do not cover all of Stock Surgery catchment area.
Stock Cares is run entirely by volunteers.

There is no direct charge for this service, but **your realistic** donations are necessary to cover our drivers' cost of transport.

For assistance please phone one of our co-ordinators in order to book a driver:

-

**Ann Hunt 840945: Linda Ramsey 417635 : Daphne Spencer
829750: Rick Deacon 840788: Sue Smith 840061**

We appreciate as much notice as possible to organise transport and would ask you to telephone only between 9.00 am and 5.00 pm – Monday to Friday
However your appointment time is not limited to these times.

We schedule drivers on a rota basis, therefore please do NOT contact a driver but book only via a co-ordinator.
